CELEBRATING THE FOURTH OF JULY WITH HARDY SHRUB ROSES & HERBACEOUS PEONIES

We offer a fine selection of hardy shrub roses. Excellent for low-maintenance, disease-resistant hedges, groundcovers, climbers or specimen landscape planting.

Our selection includes new and old hardy shrub roses, as well as selections of the Canadian Explorer series. Also available are selections of the outstanding Pavement series of Rugosa groundcovers, and the award-winning Knockout and Macy's Pride. Easy Elegance series from Minnesota, hardy and on their own root.

We offer an extensive selection of peonies—those long-loved stalwarts of the garden. Our selection includes single, semi-double, double and Japanese flowered, in white, pink and red shades. Excellent for cutting, hedges and borders. More than 25 varieties available, including some large specimen clumps.

We also have an excellent selection of tree peonies.
