NURSERY • ORCHARD • GARDEN SHOP

Celebrating Father's Day with *Cornus kousa chinensis* Chinese Dogwood

This is the most beautiful summer blooming dogwood that we offer — hardy, long-lived and disease resistant. This Asian introduction gives us multiseasonal interest with blooms starting in mid- to late June and sometimes extending into late August, followed by large red strawberry-shaped fruit for fall display. As this wonderful tree matures, it also exhibits great exfoliating bark. It would be hard to find a more beautiful flowering tree.

We offer several outstanding selections, each with its own unique characteristics, including 'Blue Shadow', 'Galilean', 'Lustgarten Weeper', 'Madison', 'Milky Way', 'National', 'Satomi' (pink flowered), 'Square Dance' and 'Wolf's Eye', as well as the seed-grown chinensis. Several sizes available including large Windy Hill Farm field-grown specimens.

*Annuals • tropicals • temperennials • herbs
seed potatoes • vegetable plants • hanging baskets
