HYDRANGEA

Unrivaled as a late summer and fall blooming ornamental. We offer an extensive selection of hardy hydrangea in superb condition, including Windy Hill Farm field-grown specimens, now available for field tagging and fall planting.

Hydrangea arborescens – Compact early blooming, durable and adaptable. Selection includes ‘Annabelle’, ‘Bella Anna’, ‘Incrediball’ and ‘Invincible Spirit’.

Hydrangea macrophylla – Two selections of summer blooming mopheads in blue (Endless Summer) and white blushing to pink (Blushing Bride) providing color for several weeks.

Hydrangea paniculata ‘Quick Fire’ – An early flowering selection with pure white bloom quickly turning reddish pink and remaining effective for months. Excellent new selection in both tree and shrub forms.

Hydrangea paniculata ‘Kyushu’ – Elegant, airy white blooms extending from mid- to late summer through fall. The lustrous dark green foliage makes this one of the best.

Hydrangea paniculata ‘Limelight’ – An extraordinary new paniculata that boasts large lime green flowers. This vigorous grower has sturdy stems which make it an excellent cut flower. Both tree and shrub forms available.

Hydrangea paniculata ‘Little Lamb’ – A compact floriferous selection covered with blooms.

Hydrangea paniculata ‘Phantom’ – This new grandiflora form has enormous heads of pure stunning white flowers. A vigorous grower.

Hydrangea paniculata ‘Pink Diamond’ – Tall, airy panicles of creamy flowers opening in late summer turning pink and then a deep shade of rose. Tree and shrub forms available. Our favorite paniculata.

Hydrangea paniculata ‘Pinky Winky’ – This new selection exhibits outstanding large, strong-stemmed upright white blooms, quickly turning a pleasing shade of pink. Lengthy bloom period and great growth habit make this new selection one of the best.

Hydrangea paniculata ‘Quick Fire’ – An early flowering selection with pure white bloom quickly turning reddish pink and remaining effective for months. Excellent new selection. Tree and shrub forms available.

Hydrangea paniculata ‘Tardiva’ – A choice August to October bloomer with airy white pyramidal clusters of flowers. An older cultivar available in both tree and shrub forms.

Hydrangea paniculata ‘The Swan’ – Enormous flower petals on a large loose grower. Excellent landscape specimen.

Hydrangea paniculata ‘Unique’ – Large flowering selection creates an outstanding floral display from late summer into fall.

Hydrangea paniculata ‘Vanilla Strawberry’ – White blooms with a tinge of strawberry pink. New flowers emerge throughout July and August, keeping a fresh look.

Hydrangea paniculata ‘White Moth’ – Our earliest flowering paniculata hybrid with huge, white, flattened panicles giving the appearance of large moth wings. Large grower, beautiful branching.

Hydrangea petiolaris – Spectacular climbing vine with attractive rich green foliage, reddish shredding bark and fragrant white flowers through summer into fall.

Hydrangea quercifolia – Oakleaf Hydrangea. Selections include ‘Sikes Dwarf’ and ‘Snow Queen’. Best used in protected locations.

Hydrangea serrata ‘Blue Billows’ – Flowerbud hardy form of ‘Blue Lace Cap’. Compact grower, ideal for light shade. Outstanding in a foundation or woodland planting.
